re: Fundraiser

Dear Sir,

There comes a time when your group or organization finds it necessary to raise funds for the continuance of programs, replacement of equipment, or to cover operational expenses.

At Fox's Pizza Den we recognize the importance of business and individual donations to your group, and would like to offer you a means to raise funds.

If your group would like to raise more money than it has selling hoagies, M&M's, jewelry or magazines call us for information on how you can run a "Fox's Fundraiser". No order taking, delivering hoagies, or carrying boxes of candy. Just "one" simple stop at your friends and neighbors and the sale is done. Your customers will purchase a product that they'd most likely buy anyway and your group will make more money than ever before.

Interested? Call or stop and see me at Fox's Pizza Den and we'll give you all the details.

Remember Fox's Pizza Den for your next fundraiser!

We'll provide you with coupon-cards for a medium pepperoni pizza. Each card sells for **\$6.00**. You pay us **\$3.50** for each card and your group earns **\$2.50** for every pizza you sell! Attached is a sample coupon-card.

Sincerely,
